The **Taurus® G3c** gives you everything you ever wanted in an everyday carry handgun—and some things you never even dreamed of. This ultra-affordable striker-fired 9mm pistol has the heart of a full-size yet is available in an easy-to-conceal, compact polymer frame. Its all-weather Tenifer finish and tough Teflon coating provide exceptional corrosion protection. While an upgraded flat trigger system delivers accuracy enhancing performance. In addition, a dovetail cut rear sight makes compatibility with most aftermarket sights quick and easy. All backed by our Limited Lifetime Warranty and industry leading customer service.
